Textile Recycling Details

Don't use it? Don't wear it? Don't like it?

DuPage County has partnered with eWorks and [RewearAble](#) to collect clothing and textiles for reuse and recycling. Items not able to be reused will be turned into cleaning/painting rags or reused in insulation, packing material and carpeting. RewearAble is a non-profit that provides sustainable employment for adults with disabilities.

Acceptable items: clothing, sheets, bedding, towels and other household textiles in any condition. No heavily soiled items.

Have other items to recycle?
